

Serampore Girls' College

SERAMPORE GIRLS COLLEGE

ADMISSION 2016-17

ABOUT THE COLLEGE

Serampore Girls' College was established in 6th June, 1981 by a group of visionaries who stood for the propagation of female education in this part of our sub-divisional town. This college, fittingly inaugurated by the noted educationist and the then President of West Bengal Higher Secondary Council late Smt. Anila Devi, catered to a long standing demand of the local people for a college exclusive for Girls' which originally started with only 47 of students on its roll and with only seven general subjects in humanities group. In 1983 the first batch of students was sent for their Graduation Examination and since then it has maintained its steady journey with an average of 1800-2000 students on its roll per year.

From Principal's Desk

"It is not possible for a bird to fly with only one wing", felt Swami Vivekananda. He believed that society cannot progress depending on men alone. It has to harness female power also. Our government also believes that the holistic development of a country must require women's empowerment and for that government has taken different policies to incentivize women in pursuing higher education.

The mission of our college is to motivate students to be self-reliant in future with human principles and strong sense of responsibility towards society. Our untiring effort to uphold academic standards by imparting higher education of good quality helps the students march forward towards women's empowerment.

Our college provides a peaceful academic environment, ideal for pursuit of studies. The students are placed under direct supervision and care of dedicated teachers. They receive an all-round education in an atmosphere of peace, discipline and morality. Here teachers are totally committed to motivate the students to do their best in their chosen fields. Parent –teachers meetings are held regularly to let the parents know about the progress of their wards. The college also organizes departmental quiz, workshops, seminars, educational tours on regular basis. Students are also engaged in different extra-curricular activities like cultural programmes, sports, community services through NSS and NCC.
