

Activities details

Department- Zoology

Session- 2023-24

Event Type- Parents Teacher Meeting (PTM)

Event date- 08/01/2024

Duration- 1.5 hour

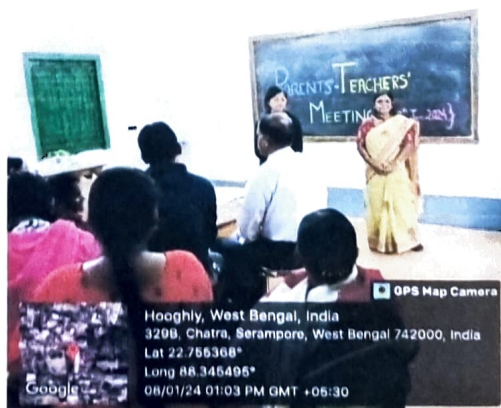

Resource Person- Saheli Kumar

Attendance- 15

Objectives- Discussion about their performance in earlier taken internal examinations.

Brief description- Students and their parents took part enthusiastically and we the faculty members taken feedback from parents about their daughters teaching learning and evaluation. On behalf of the Department, we have shown students' attendance (in %), CIE results of students to their Parents. We also tried to find out how could the institute and faculties help students who have not done satisfactory results in class tests.

Outcome- Most of the students and parents approving that the low achievements were mostly due to their insincerities and promised to score better in the upcoming University exams for sure. At mostly all the parents were quite happy by the department teaching method and not complained anything serious that can be reported.

Report of Parent Teachers Meeting

Department: Zoology

Session: 2023-24

Date: 08/01/2024

Time: 12 PM

Semester: 1st and 3rd

Venue/mode: NB13, Zoology lab, Serampore Girls' College, offline

On 8th January, 2024, the faculty member of Zoology Department organized an offline Parent Teacher Meeting (PTM) Program for the 1st and 3rd semester students to discuss about their performance in earlier taken internal examinations. At very first we would like to express our sincere gratitude towards Dr. Soma Roy, honourable Principal of our well reputed institute Serampore Girls' College; for her valuable permission for this program to be arranged. Ms. Saheli Kumar from the Department of Zoology arranged and assembled all the work regarding this program to take place. The faculties and members from the other department of Sciences were quite helpful in solving several technical and official details that finally made this program possible to be organized.

Students and their parents took part enthusiastically and we the faculty members taken feedback from parents about their daughters teaching learning and evaluation. On behalf of the Department, we have shown students' attendance (in %), CIE results of students to their Parents. We also tried to find out how could the institute and faculties help students who have not done satisfactory results in class tests.

Outcome: Most of the students and parents approving that the low achievements were mostly due to their insincerities and promised to score better in the upcoming University exams for sure. At mostly all the parents were quite happy by the department teaching method and not complained anything serious that can be reported.

Teachers of Department of Zoology will surely concentrate to improve teaching techniques and hopeful that in future any problem if come, will surely be sorted as much as possible to upgrade teaching learning process for the students.

Saheli Kumar 10/1/24.
