REPORT OF ENGLISH LANGUAGE DAY CELEBRATION

The students of the Department of English took the initiative to commemorate William Shakespeare's birthday on 23 April, 2022, The English Language Day. The students conducted the programme and expressed their competence in academic and extra-curricular activities on this day. Scenes from Shakespeare's Macbeth were enacted by the students. Through dance drama they expressed their understanding of Shakespeare. Power point presentations, Speech, songs, parody were all parts of the programme. Students from all semesters participated in these activities. Some students were indirectly involved in the programme as they prepared and decorated the room, made draft of the programme schedule and helped in dressing up the actors or making other arrangements. Such participative learning methods were attractive as well as educative.

OUTCOME

1. The celebration of English Language Day involved the students in each and every event.
2. Students were given a forum to express their understanding of Shakespeare in their own way.
3. It made them confident enough as they participated and conducted such a programme.
4. The celebration was an instance of delightful learning.
5. It developed the creative and cultural aspects of the students
