International Biodiversity Day celebration

- **Session:** 2023-2024
- **Event type:** Outreach program/ Awareness program.
- **Event Date:** 22/05/2024
- **Duration:** 1 day (11 a.m to 4:00 p.m)
- **Topic:** International Biodiversity Day celebration (**Theme- “Be part of the plan”**)
- **Attendance:** 20 students
- **Objective:** To encourage students to learn and sensitize more about our Mother Nature their proper nurture and sustainable development. One of the main goal is to spread awareness about the devastating result of loss of biodiversity. Teach them to conserve the natural resources.
- **Brief description:** Department Botany have planned and organized International Biodiversity Day' celebration on 22nd of May, 2024. With the proper guidance of our honourable Principal Madam and IQAC coordinator made this event fruitful on the very day. Students of semester VI, IV and I participated in various events like –
 1. Plantation program,
 2. Drawing
 3. Quotation writing
 4. Essay writing
- **Outcome:** We were really flabbergasted by the immense response of our students to take part in the event. The newer age with shiny intelligence actually struck their mark for sure. We are quite hopeful for such future endeavors if our honorable college authority allows us to arrange the fruiting of such plans. This type of awareness program is very essential in present days to preserve and conserve the biodiversity for future.
