

Open House Discussion

Date: 06/05/2026

Time: 12 noon

Venue: Room VB – 6

Objective : The primary objective of the Open House program was to establish an open and supportive dialogue between the students and the faculty members of the Department of Science. The main goals included:

- Addressing academic issues and learning challenges faced by students.
- Discussing concerns related to teaching methods, laboratory sessions, and examinations.
- Identifying and resolving infrastructure-related concerns within the department and the college.

Description : The Open House was held on 6th May 2026 at 12:30 PM within the Science Block of Serampore Girls' College. Faculty members from the departments of Physics, Chemistry, Mathematics, and Electronic Science actively participated in the event. During the session, students raised various academic issues, such as:

- Difficulty in understanding complex topics in certain subjects.
- Requests for extra tutorial and remedial classes.
- Suggestions for modernizing laboratory equipment and increasing practical exposure.

In addition to academic concerns, students also shared feedback regarding:

- Inadequate availability of textbooks and reference materials in the library.
- Poor ventilation in some classrooms.

Faculty members attentively listened to each point and assured appropriate action. Immediate solutions were discussed where feasible, while others were documented for discussion with the college administration.

Outcome : The program achieved its intended goals and yielded positive results:

- Students appreciated the opportunity to voice their concerns in an open and respectful environment.
- Teachers gained deeper insight into the challenges faced by students, which will help improve teaching and support strategies.
- Plans were initiated for follow-up actions, including addressing infrastructure issues and scheduling additional academic support sessions.
- The session strengthened mutual trust and communication between students and faculty.
