3. to show the progress of the students.

Brief Description:

As notified earlier a parent-teacher meeting was held on 23/09/2022 from 12pm at department of physical education in college premises. The parents of 3rd semester's students came to be aware of their daughter's progress. The evaluated class test copies were shown to the parents and the marks of the last year of the students were shown and analysed. The parents also gave their progressive thoughts for the holistic development of the students. The teachers also informed the parents about the lacunae of the students.

Outcome:

“ OUTCOMES OF PTM ”

It was a very fruitful PTM as the parents came to know about the lacunae of the students as well as the teaching process of the college and the progress of the students. The parents also shared their thoughts to strengthen the teaching- learning process.
