

## **Report about Parent Teachers Meeting**

**Department:** Botany (Organized jointly with Zoology and Chemistry)

**Session:** 2022-23

**Date:** 28/09/2022

**Semester:** III & V

**Venue:** NB13, Serampore Girls' College

**Time:** 10:30-01:00 pm

1. On the behalf of Department we have shown students' attendance (in %), CIE results and behaviour of students to Parents
2. We have taken feedback from parents about their daughters teaching learning and evaluation by this CIE /or internal assessment procedure.
3. Conclusion by HOD:

The main agenda of this meeting was to discuss different issues regarding teaching learning process, to take parent's opinion about teaching learning process. Taking their suggestions to improve our amenities. Discuss about student's study time at home, study material, their problems. Students and their parents took part enthusiastically. It was beneficial for students as well as for us to understand their point of view.

**Departments Of Biological Sciences**

Report of Parent Teacher Meeting Program 2022-23.

Date 28/09/2022

On 28<sup>th</sup> of September, 2022; the faculties of Departments of biological sciences organized a Parent Teacher Meeting (PTM) Program for third and fifth semester students to discuss about their performances in earlier taken Continuous Internal Assessment 1 (CIA1), for odd semesters, 2022. At very first, we would like to express our sincere gratitude towards Dr. Soma Roy, honourable Principal of our well reputed institute Serampore Girls' College; for her valuable permission for this program to be arranged. Dr. Madhusree Halder from Dept. Of Botany, Dr. Ipsita Chakroborty from Dept. Of Chemistry and Dr. Ananya Ali from Dept. Of Zoology worked harmoniously to arrange and assemble all the works regarding this program to take place.

Students and their parents took part enthusiastically and we the faculty members one by one discussed the performances of students in CIA1, including the students' attendances during class hours of working days. Also, we tried to find out howcould the institute and faculties help students who have not done too well in class tests. Most of the parents and students were agreeing that the low achievements were mostly due to their own insincerities and promised to score better in exams in coming days for sure.

At mostly all the parents were quite happy by departments teaching methods and not complained anything severe that can be reported.

All the member of Department of Biological Sciences will surely concentrate to improve further and are hopeful that in coming days any problem, if come, will surely be sorted out as much as possible to upgrade the teaching learning process for the students.
