

Serampore Girls' College
Department of Botany

Problem solving methodology
Semester-I
Parent-Teacher Meeting

- **Session:** 2023-2024
- **Event type:** Problem Solving methodology
- **Event Date:** 08/01/2024
- **Duration:** 1 day (2 Hrs)
- **Resource person:** Dr. Madhusree Halder, Serampore Girls' College, Department of Botany. Dr. Nilotpall Chattopadhyay, Serampore Girls' College, Department of Botany. Ms. Saheli Kumar Serampore Girls' College, Department of Zoology.
- **Topic:** Parent Teacher Meeting
- **Attendance:** 30 (11 Students of semester I with their parents, 4 students of semester III with their parents)
- **Objective:** The main agenda of this meeting was to discuss different issues regarding teaching learning process, to take parent's opinion about teaching learning process. Taking their suggestions to improve our amenities. Discuss about student's study time at home, study material, their problems. Students and their parents took part enthusiastically. It was beneficial for students as well as for us to understand their point of view.
- **Brief description:** All Parents of both semester I and semester III were present in the meeting (Except guardian of Neha Singh student of SEM-III and Ankita Pradhan student of SEM-I). We started our discussion session around 12: 10 pm and ended around 2:00 pm. Venue of the meeting-NB 13.
- **Outcome:**
Parents discussed both their problems and their view regarding our teaching learning methodologies

Pros:

1. Power point presentation of study materials through ICT classes and giving the same in college website as well as whatsapp group do meet the need of students to understand & learn the subject.

2. Class tests and assignments assigned time to time were helpful to prepare a particular topic.

Cons:

1. Botany is a practical based subject & thus hands-on practical classes were very much essential.
