Report: Parent-Teacher Meeting 2025

A Parent-Teacher Meeting was organized by the Department of Music on December 20, 2024, at 11:45 AM, specifically for the 1st and 3rd semester students of the Bachelor of Arts (General) program. This meeting provided a valuable opportunity for parents to engage directly with the faculty and discuss their ward's academic progress and overall performance.

During the session, parents actively inquired about their children's development, and meaningful discussions were held on strategies to help students overcome academic challenges and setbacks. The dialogue fostered collaborative efforts between teachers and parents to support students more effectively.

**Outcome:**

The meeting significantly contributed to building trust and mutual understanding among parents, teachers, and students. It also encouraged stronger teacher-student relationships, as educators offered motivation and guidance to help students navigate and overcome their difficulties.
