ATTENDANCE

Quiz Competition was a resounding success, fostering a spirit of intellectual competition and camaraderie among students.

## Objective:

- To assess students' knowledge of the historical development of Bengali literature.
- To encourage students to learn more about Bengali literary figures and works.

# Outcome:

- **Assessment:** It evaluated students' understanding of the subject matter. The quiz likely included questions about different eras, prominent figures, and genres of Bengali literature. By answering these questions, students demonstrated their knowledge of the historical development and key aspects of Bengali literature.
- **Learning:** The act of participating in the quiz itself served as a learning experience. Even if students weren't familiar with all the answers, the process of recalling information and making connections between different aspects of Bengali literature would have solidified their knowledge.
