### Report of Extension Lecture and E-Magazine

An offline Extension Lecture Programme was held on 18.12.2021. Students of Sem 1, 3 and 5 attended the programme. 68 students participated in the programme. The ex-students of the department (admitted to PG Course) also were also present during the session. The lecture was followed by a question-answer session. The talk on "Abol Tabol of Sukumar Ray" was illuminating and the students were enriched by the lecture. This session was followed by the inauguration of the E-magazine prepared by the students of the department. During the Covid period (lockdown) the students put their best efforts to prepare the E-magazine. It was launched & released by Dr Sandip Mondal, Associate Professor of English, C.U.

- Outcome :
1. The students were enriched by the lecture as they were introduced to different perspectives of 'Nonsense Verse', a part of their Honours Course.
  2. The students got a scope to participate actively in the question-answer session. Their interaction with the resource person reveals their interest in the subject.
  3. The articles, drawings, poems and other contributions of the students in the E-magazine were highly appreciated. The designing of the E-magazine was also praiseworthy.
