Report on World Philosophy Day, 2023-2024

Type of the Activity: Departmental Event

1. World Philosophy Day 2023,

2. Participative learning

3. Objective of the Event: To celebrate the importance of philosophy to humanity, both as a method of critical thought and a treasure trove of cultural ideas. In particular, it is highlighted how philosophy develops our capacity to reason and to think through problems in a logical way.

4. Organizing Department: Philosophy

5. Date: 06/12/2023 5th Semester

Time of the Event: 2.00 p.m.

6. Number of attendees: Student of all students - 50

 (b) Teacher: 04

Venue: **NB15, Serampore Girls' College**

7. Outcome: Students became aware of the need for free, critical and responsible philosophical reflection. We celebrated philosophy to humanity as a method of critical thought development.
