Report about Educational Tour

Department: Electronic Science

Session: 2024-2025

Date: 20/12/2024

Semester: SEM I, III

Venue/mode: Science City

Time: 9am-7pm

Number of attendees: 14 Students: 26 Teacher: 8

Department: Computer science, Mathematics, Physics, Electronic science, Botany, Zoology, Chemistry

Objective: To enhance knowledge and understanding (ii) To promote teamwork and social skills (iii) To encourage independent learning (iv) To promote creativity and critical thinking (v) To provide a break from the monotony of classroom learning

Brief Description: Department of Computer Science, Mathematics, Physics and Electronic science together arranged an educational tour to Science City, Kolkata on 20th December, 2024. The tour was arranged for semester-I and semester-III students of all the above-mentioned science departments. The journey was started from Serampore at about 9 a.m. on the day. It is an excellent opportunity for students to learn about various scientific phenomena, including electricity, magnetism, and optics. Students enjoyed the show and earned lots of knowledge from the show. Small lunch and snacks were arranged in between. The journey ended at Serampore at about 7 p.m.

Outcome: In conclusion, the educational tour provides excellent opportunity for students to learn outside of the classroom setting. The tour's theme of promoting scientific knowledge, historical awareness, and environmental consciousness is evident in the choice of destinations. The tour is an excellent opportunity for students to gain practical knowledge that they can apply in real-life situations, broaden their horizons, and enhance their learning experience.
