Teacher's day celebration and Fresher's welcome

- **Session:** 2023-2024
- **Event type:** Outreach program
- **Event Date:** 17/10/2023
- **Duration:** 1 day (11 a.m to 3:30)

- **Topic:** Teacher's Day celebration and Fresher's welcome
- **Attendance:** 50 students
- **Objective:** Welcome Fresher's with a warm greeting and celebration of Teacher's day with all faculty members of department of science and our honourable principal Madam.

- **Brief description:** Students of departments of Sciences (Computer science, Mathematics, Physics, Chemistry, Electronic Science, Botany, and Zoology) have planned and organized a 'Teacher's Day' celebration and Fresher's welcome on 17th of October, 2023. Students have organized a beautiful cultural program and a small arrangement for refreshment also.

- **Outcome:** This type of program is kind of fresh air in our scheduled academic or teaching learning oriented activity. The students of semester I are very happy to interact with their seniors they freely participated in the cultural program and enjoyed a lot.
