Parent- Teacher Meeting

Student Seminar

To encourage our students in different current topics of computer science, electronic science, department of Electronic Science together with department of Computer science of Serampore Girls' College has arranged a Topic Seminar on 18.04.2019 for 2nd semester students. A few topics like Firewall, Internet of Things, Surveillance Camera Control System, Artificial Intelligence, Cybernetic Organism and many others topics were given to our students 10 days before the seminar. Students were asked to search about those topics through internet and prepare at least ten slides on those topics. The topics were also given by lottery such that each and every student could get two choices. They were also informed the date of that seminar. On the date i.e. 18th April, 2019 the seminar was started almost as per its schedule on 11:15 a.m. The judge panel was facilitated by Mr. Gautam Banerjee, HOD of Science, Serampore Girls' College, Mr. Debkani Das, Dept of Electronics and Ms. Moumita Ghosal, Dept of Computer Science. It was very influencing that each student of 2nd Semester both Honours and General was participated in that seminar. They showed their power point presentation through giant screen. They were given just 10 minutes to explain their slides. And at last a merit panel was made by judges - Ishita Hazra was stood first, the second position was occupied by Anjali Sharma and Smita Dutta secured third position in this seminar. Two consolation prizes were given to 2nd semester General students Reshma Khatun and Damini Tiwari for their very good efforts. Certificates of participation from college were given to each student.

Quiz

Sample Question
