MENTORING REPORT

DEPARTMENT : SANSKRIT

SESSION – 2019-20

Students' financial status, family situation, physical condition, class attendance rate and test results – all of those factors have been checked and it has been found that many students attend class regularly and their past test results are as expected but financial condition of most of the students is very poor , most of their parents were unemployed , so they can not afford to buy text books due to financial crisis . When there are too many classes they can not even recharge internet connection .
