Report of Open House Discussion

Department of Computer Science, Mathematics, Physics and Electronic Science of Serampore Girls' College together arranged an Open House Discussion for students of all semester on 26th April, 2023. 11 students and all teachers from each department attended this program. Students openly discussed about different issues they are facing in college. Many of them complained about availability of books in library. Some of them have problem with timing of the first class (9:45 a.m.) as their hometowns are far from the college. Some have problem with class timing and gaps between two classes. They are convinced with the

college administration. But major problem which is pointed out from the discussion is that they are facing difficulties in hardware laboratory as there are not sufficient equipments in the hardware Lab.

➤ Celebration of Science Day, 2023

Date: 28/02/2023 Time: 11:30 a.m to 2:30 p.m

Venue: Room VB-6

Objective: To encourage students to learn more by heuristic approach about the modern developments and newer windows of scientific world and to make them realize how to make our lives easier by proper and safe utilization of those arsenals of technologies.

Program Details: Department of Sciences (Computer science, Mathematics, Physics, Chemistry, Electronic Science, Botany, Zoology) have planned and organized a ‘Science Day’ celebration on 28th of February, 2023. With the proper guidance of our honorable Principal Ma’am and collaborative participation of all the departments made this event fruitful on the very day. The event inaugurated by our honorable TCS and also members from cultural committee were present during the event. The inaugural song was presented by our beloved student Prakriti Banerjee and introductory speech was delivered by the student named Muskaan Sharma. Assistant Professor of History, SkRiazul Midde described the specialty of the day. Two different talk was delivered by two speakers viz Mr. Anjan Goswami on ‘Introduction to virtual reality and augmented reality’ And Dr. Ipsita Chakroborty on ‘Recent advances on chemistry: Green chemistry’. After that we had a poster presentation event by our enthusiastic students who showed really nice levels of ingenuity and thoughtfulness through their works. Dr. Sandip Majumdar, Mr. Anjan Goswami and Dr. Ananya Ali were the judges to evaluate the striking presentations among these new hopes. We are glad to mention that:

- 1) Prakriti Banerjee, from Computer Science department and

- 2) Lipika Soren of bio sciences' departments – worked markedly different that need to be mentioned. A token of acknowledgement to their hard work was offered to them.

It is worthy to be mentioned that our honorable Principal ma'am really made her valuable time out to visit our event and encourage the students. We felt really honored and hoping for more better plan to work out in coming future for sure. At the end of the program a short video on artificial intelligence was shown to the students.

Outcome: We, the team of Departments of Sciences, were really flabbergasted by the immense response of our students to take part in the event. The newer age with shiny intelligence actually struck their mark for sure. We are quite hopeful for such future endeavors if our honorable college authority allows us to arrange the fruiting of such plans.

➤ Teachers' Day Celebration

Date: 29/09/2022 **Time:** 12:00-3:30 p.m

Report of Mentoring
Department of Computer Science

Department of Computer Science has successfully completed the mentoring process for Semester VI in the academic session 2022-2023. The Problems they discussed with mentors are the following:

Some of them have financial problem.

Some of them are unable to attend class regularly as they have either several problems at their home or they stay far away from the college.

Some of them proposed to include faculty in the department of computer science as they have lesser number of classes than the requirement.

Many of them asked for inserting placement facility in college.

Many of them requested for restarting canteen.
