Report of Webinar entitled Changing Patterns of Relationship: COVID 19 And Its Aftermath

Date – 24/07/2020

The Covid-19 pandemic has reshaped our personal relationships in unprecedented ways, forcing us to live closer together with some people and further apart from others.

In this pandemic situation how relationship maintained by people are very much important to explore in the sociological point of view. Now a day's relationship completely changes from face to face interaction to virtual relationship. Family relationship and community relationship also changing. These were explored in the webinar.

Mentor – Mentee Report from Department of Sociology, Serampore Girls' College

The student mentoring system is introduced in the Department of Sociology, Serampore Girls' College. Departmental teachers (3) are involved in the process of mentoring. Every mentor is allotted 60-65 students to take care of them. The mentor has a chalked-out responsibility to take care of all the mentees such as to provide them personal counselling, to support them for any kind of difficulty in their curriculum, to make provision of remedial class for them and to always support them as and when required. Specially help to mental boost up in pandemic situation.

The mentor also works for finding out hidden talent of the students in various aspects of academic, co-curricular, extra-curricular and extra mural activities so that they can be promoted to do various activities in the concerned area for their holistic development. The mentor also contacts and meets the parents of his or her mentees to discuss their progress or any other matter, as and when required.

- This pandemic situation created financial problems in the homes of many students. As a result, initially many could not attend online classes. Mentors talked to them personally and found out they were in a lot of trouble in day-to-day life. Mentors have kept in touch with them and kept in touch with their education system through counselling and motivation. In some critical cases mentors have helped the students with internet data recharge so that they could attend online classes. As a result, the number of dropouts among students in much lower.
- During this academic session a student, named Aditi Nandi (Student of fourth semester), who has a hearing as well as speech problem, was specially assisted through mentoring and counselling. The mentor was in constant touch with her father to ensure that she got assistance at home to attend the on-line classes.

Mentor Mentee Ratio- 1:108 (Mentor 3, Mentee 324)

Teachers' Profile for the Academic Session 2020 - 2021: Academic Performance by Dr. Aritra Ghosh:

1. Active participation in UGC Sponsored Refresher course in Information Technology in Global Society, HRDC, Gujrat University, Ahmedabad. 6/9/2021 – 19/9/2021
2. Active participation in UGC Sponsored Guru Dakshta Faculty Induction Programme (FIP), HRDC, Gujrat University, Ahmedabad. 12/7/2021- 10/8/2021
