

Event Name :

Constituent Assembly Debates of India

Extension Lecture

Session : 2020-21

2021-06-29

Organized by:

Political Science

Duration:

1 day(s)

Attendance:

45

Objective:

- The Faculty members of interdisciplinary subjects, who participate in the Faculty Exchange Program can share, learn and deliver best practices in curriculum and pedagogy related to each other's subjects.
- Faculties of interdisciplinary subjects are expected to positively transfer their enhanced learning for the benefit of our Students.

Brief Description:

Dr. Meghlai Lama, Assistant Professor of the History Department at our college, gave an extended lecture on the topic "constituent Assembly Debates in India" to the students of 3rd Semester honours.

Outcome:

This program is conducted within the departments of the college. The main focus is to give the students an understanding of a topic with respect to their syllabus from a person from a different field. The art of securing good marks lies in the fact how much diversified your understanding of a definite subject matter- and the faculty exchange program done by the department primarily harps on that aspect.

Resource Person(s):

Dr. Meghlai Lama
