REPORT ON FIELD VISIT

SEM-VI Date: 21/02/2022

On 21st February 2022; a field visit was organized by Department of Botany, Serampore Girls' College. Field visit is a compulsory part of B.Sc Botany (General) degree course of semester VI under CBCS curriculum, we have organized a field visit to Rice Research Station Chinsurah, Hooghly. Objective of this type of tour is to aware students about the cultivation method, timing and every minute details of the cultivated plants and its importance to our society.

Students of semester VI took part enthusiastically to fulfill our goal, they experienced different practical facts about our staple food crop and its socio-economical value. Dr. Madhusree Halder (Faculty of Department of Botany) guided the students properly in every aspect for a successful field visit. The faculty members of Rice Research Station Chinsurah, Hooghly are very much co-operative and helps our students by giving them theoretical lectures as well as practical demonstration.

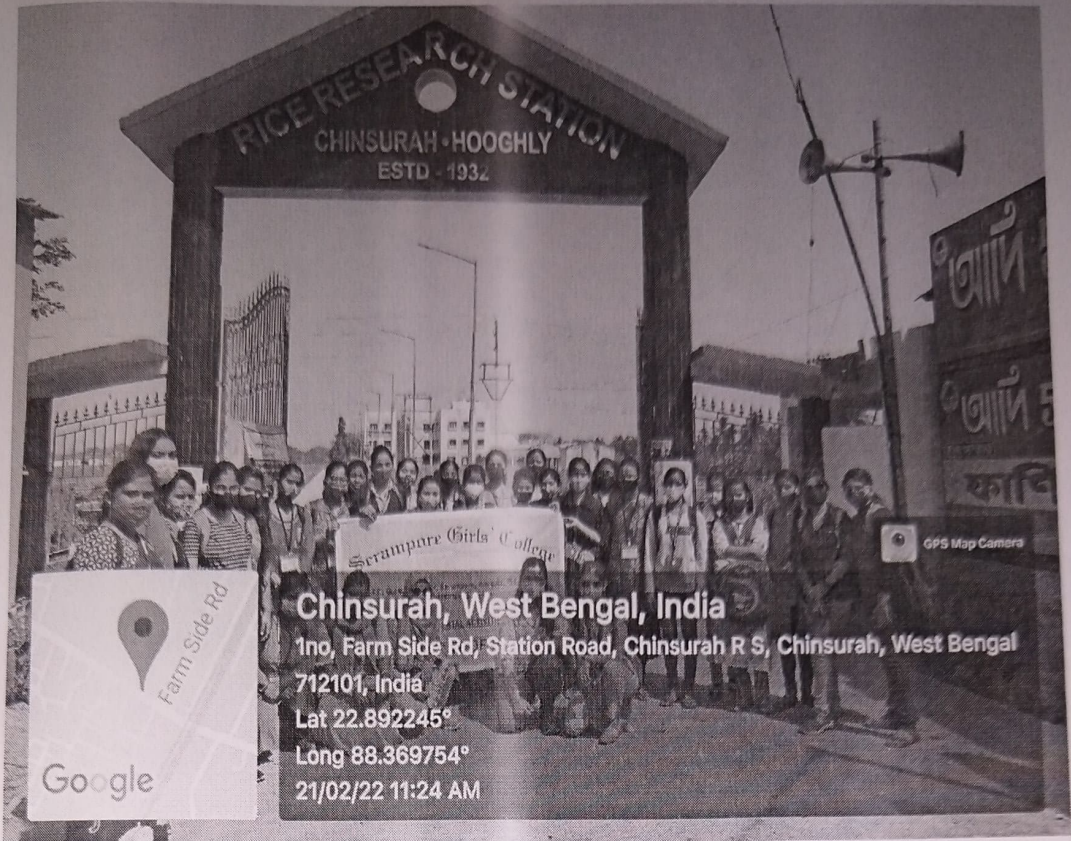

We are very much thankful to our honorable Principal madam Dr. Soma Roy to allow us to organize the field visit. We are also grateful to the faculty members of Rice Research Station Chinsurah, Hooghly for giving us this wonderful opportunity.
