Program Outcome of BA Political Science Honours and General Course under University of Calcutta

- 1- The University of Calcutta has chalked out the Undergraduate Honours course of Political Science in such a manner that the whole program is based on an intrinsic relation between outer and inner core. The outer core means a more comprehensive knowledge of what is Political Science? While on the other hand the inner core is more about Specific analysis of a defined part of Political Science which is drawn under Disciplinary Specific Course. So students can develop both a general and specific understanding about the subject Political Science.

- 2- The course also intends to endow the student with the capability to prepare themselves for competitive exams like UPSC, SSC, PSC, NET, SET and others
- 3- Attainment of higher studies of the students has also been an aim of the course
- 4- To develop the sense of responsibility of being a citizen of India
- 5- To develop critical and rational thinking among the students
- 6- To understand the society, politics, culture and economy that exist around them both within and outside the Nation
- 7- To develop the communication skill both verbal and writing English and Hindi among the students for their course and job efficiency.
- 8- To guide them in understanding the method of using resources in appropriate manner in academic field.

Program Specific Outcome of BA Political Science Honours and General Course under University of Calcutta

- 1- To develop the predilection in the very subject itself.
- 2- To enhance their vision of understanding State, Nation and International Politics
- 3- To equip them with the necessary study materials outside their given frame of references, in order to enhance their understanding
- 4- To develop both a comprehensive and specific understanding of the subject Political Science
- 5- To provide them the space to carry forth a parallel study of technical skills along with their honours course, so that they can acquire job efficiency. What we intend to nurture inside the mind of each and every student of ours is – economic Freedom. As Amartya Sen believe- “The lack of Economic Freedom could be a very major reason for loss of liberty, liberty of life.
