COLLECTION OF E-WASTE

Dear Students and Staffs,

- Electronic waste can be extremely harmful to the environment if not disposed of properly
 - It is important that we all take responsibility for our waste
 - As a community, we have a responsibility to ensure that we are doing our part in protecting the environment
 - Serampore Girls' College is committed to creating a sustainable and responsible community
 - This initiative is just one step in achieving that goal
 - We request that you bring any electrical and electronic waste (e.g. broken mobile phones and any other e-waste) to our college office for proper disposal
 - By disposing of your electronic waste at the college office, we can ensure that it is disposed of in an environmentally friendly manner
 - Harmful chemicals and materials do not end up polluting the environment
- **All are requested to dispose E-Waste (Mainly damaged mobile phones) in the E-WASTE BIN kept in the administrative block (in front of the Principal's office) DURING: 15TH TO 18TH MAY 2023**

Thank you for your cooperation and support.

Sincerely,

Principal
